

Nota de prensa

Madrid, 25th April 2016

Chambers & Partners recognizes ECIJA as Leading Firm in TMT (Media) in the Spanish market.

The prestigious international ranking Chambers & Partners, has positioned ECIJA in its new 2016 edition as Leading Firm in Spain in TMT (Media) and amongst the best firms in the Spanish Market for Information Technology, Intellectual Property and Dispute Resolution.

Chambers & Partners, one of the leading international directories of the legal sector, has published today its new 2016 edition, positioning ECIJA in the **highest category for TMT (Media) in the Spanish market**, and consolidating its leadership in **Information Technology, Intellectual Property and Dispute Resolution**.

Chambers & Partners places partners **Hugo Ecija, Emilio Prieto and Juan Salmerón** as "ranked lawyers" in Media Law and **Javier Lopez**, Dispute Resolution partner, as "recognized practitioner" in his practice area.

Again, thanks to the outstanding team of professionals who are part of the Firm and its commitment to its customers, ECIJA is recognized as leading firm in the Spanish market at the forefront of legal innovation.
